#### Certification

Production of MF Kraft packaging paper is certified according to the quality system ISO 9001-2011. Voluntary forest certification FCS.

Properties	Unit	Standard	Typical Values	
			BUN 70	BUN 78
Basis Weight	g/m <sup>2</sup>	GOST 13199	BUN 70	BUN 78
			65-75	73-83
Breaking force in the cross direction, not less	N (kgs)	GOST ISO 1924-1	42 (4,3)	45(4,6)
Relative elongation in the cross direction, not less	%	GOST ISO 1924-1	3,9	3,9
Absolute tearing resistance, MD, not less	mN (kgs)	GOST 13525.3	730 (76)	820(84)
Air permeability, not less	cm <sup>3</sup> /min	GOST 13525.14	200	200
Water absorption Cobb 60 wire side, not less	g/cm	GOST 12605	27	27
Moisture	%	GOST 13525.19	7,0-11,0	7,0-11,0

Paper color conforms the color of natural fibre.

The Products meets the requirements of the technical specifications
